MAUD MULLER IN A HAREM SKIRT.
Maud Muller, natty little flirt,
One day put on a harem skirt;
Her coat was black, her trousers blue
Were belted just above each shoe;
She walked out with a manly stride
While hundreds gathered at her side.
"This beats the hobble skirt a block,"
Said Maud, "and gives a greater shock."
Then, digging up a parlor match,
She ventured on a man like scratch;
The icy sidewalk gave a dip;
And Maudie struck the bricks, Kerf pl!
She'd naught to say of "tongue or pen,"
But murmured low: "It might have been!"

To have the fire go on a strike
just when you need it most?
Have you ever thought the
trouble may be in the coal? Try
a ton or so of our clean, free-

Plenty of people have had
their fire go back on them until
after they had tried our Coal.
Now they haven't a bit of trou-

NEW FLOUR MILL

**Mr. J. F. Gebhart Expects to Have
Plant in Operation July 1st**

Bracken Chronicle.

J. F. Gebhart was in Maysville Monday, and while there consummated a deal with the Business Men's Club of that city whereby he will locate a flouring mill there. Mr. Gebhart was in Frankfort, where he had decided to locate, the citizens there having made him a most advantageous proposition for building a mill at the Capital, when he was waited upon by Lieutenant Governor Cox, who had been delegated by the Maysville Business Men's Club to make him a most flattering offer. This offer was a lot 133,200 feet, on the C. and O. Railroad in East Maysville. The new institution will be known as the Maysville Milling Company, Incorporated, with a capital stock of \$25,000. It is proposed to build a brick mill, with a capacity of 100 barrels of flour per day, as well as 200 or 300 bushels of meal. The mill will be modern and up-to-date in every particular, and an elevator will be connected with it with a capacity of about 30,000. Work will be commenced immediately on laying off the lot, and Mr. Gebhart expects to have the plant in operation by July 1st. He will locate in that city about April 1st. During his residence in Augusta for the past 24 years Mr. Gebhart and his estimable wife have made many friends, all of whom will regret their departure from our midst, but will wish them prosperity in their new surroundings.

"Why Go to Church?" was the subject of the discourse delivered by Rabbi JOSEPH KRAUSKOPF, D.D., at the Temple Kenezth Israel, Broad street, Philadelphia, last Sunday. Following a vigorous denunciation of the habit of non-attendance at religious services, the speaker declared the class of persons who stay away from Church will soon set up a new decalogue for themselves. "It will not be long," Rabbi KRAUSKOPF said, before the Ten Commandments will read something like this:

- "1. I, man, am the highest that is; above me there is none.
- "2. There shall be none to deny me what I want.
- "3. None shall withhold anything from me if he would go unpunished.
- "4. Remember the Sabbath day for unrestrained fun and frolic.
- "5. Let thy parents slave for thee and do thee honor, seeing that they brought thee into this life without thy will.
- "6. If it suits thy purpose best, thou mayest kill others or thyself.
- "7. If it suits thy pleasure best, thou mayest commit adultery.
- "8. If it serves thine interest best, thou mayest steal.
- "9. If it serves thy purpose best, thou mayest bear false witness against thy neighbor.
- "10. If thou desirest it, thou mayest seize thy neighbor's home, thy neighbor's wife or thy neighbor's goods."

Some Questions For Self Education.

Has education given you sympathy with all good causes and made you espouse them?

Has it made you public-spirited?

Has it made you a brother to the weak?

Have you learned how to make friends and keep them?

Do you know what it is to be a friend yourself?

Can you look an honest man or a pure woman straight in the eye?

Do you see anything to love in a little child?

Will a lonely dog follow you in the street?

Can you be high-minded and happy in the meanest drudgeries of life?

Do you think washing dishes and hoeing corn just as compatible with high thinking as piano playing or golf?

Are you good for anything yourself?

Can you be happy alone?

Can you look out on the world and see anything except dollars and cents?

Rastus was on trial, charged with stealing \$7.85. He pleaded not guilty, and, as he was unable to hire an attorney, the Judge appointed Lawyer Clearem as counsel. Clearem got up a strong plea in defense, and Rastus was acquitted.

Counsel and client met a few minutes later outside the Courtroom.

"Now, Rastus," said Clearem, "you know the Court allows the counsel very little for defending this kind of case. I worked hard for you and got you clear. I'm entitled to much more pay than I'm getting for my valuable services, and you should dig up a good-sized fee. Have you got any money?"

"Yes, boss," replied Rastus, "I still done got dat seben dollars and eighty-five cents."

Laxative Sent Free to Try

It may be taken for granted that there is no family of any size that goes very long without needing a laxative. If you don't know of a good laxative, or the laxative you are using is losing its effect, we want to call your attention to Dr. Caldwell's Syrup Pepsin, which thousands of families are using successfully.

We have scores of letters from mothers, and scores from prominent men saying they are using it personally and giving it to their families, men like Mr. C. K. Smith of the Traffic Clearing House, Pine Bluff, Ark., and Mr. George B. Turner, a lawyer of Harlan, Ky. The thousands of mothers who use it themselves and give it to their children would take too much space to mention. The reason they prefer Syrup Pepsin is that it is a mild, gentle laxative- tonic that does not gripe—effective and yet so mild that babies can take it. Its tonic ingredients invigorate the body and strengthen the stomach and bowel muscles so that they again do their work naturally. If you have been a victim of salts, pills and strong cathartics you will discard them when you once use Syrup Pepsin.

You can buy a fifty-cent or one-dollar bottle of any drugist, but before doing so you may want to try it free. If so, send your address to Dr. Caldwell and he will promptly forward a free sample bottle. Then, being convinced, do as others are doing and buy it in the regular way of your favorite drugist.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 641 Caldwell building, Monticello, Ill.

Assessments Show Big Increase
Assessments of property in all counties in the State, as compared with the reports made by County Assessors last year, will show an increase of about \$50,000,000 and the prospects are that the State Board of Equalization will boost the State still higher.

Will Be Great

With a continuous brick street along Second from the West End to Union street—with the exception of East of Limestone to Bridge—will be grand and something worth while. Especially will it be a benefaction to Fifth Ward residents in obliterating the mud in winter and dust in summer. No doubt they will hail with delight the contemplated and much-needed improvement.

WHY THEY FAIL

MOST PILE REMEDIES MISS THE CAUSE OF PILES

Disagreeable treatment with ointments or suppositories usually fails to cure piles and cutting them off won't remove the cause. Such treatment only moderates the outside effects of the disease and fails to remedy the inside cause. The up-to-date doctors now use internal medicine to free the circulation in the lower bowel and so remove the disease. Dr. Leonhardt's Hem-Roid, the first and only guaranteed internal pile cure in the form of tablets, cures any kind of piles. Sold by J. Jas. Stirs Up Washington "Sassiety"

Justice Harlan of the Supreme Court has raised a tumult of criticism by his strictures on Washington's idle rich, and an angry petticoat brigade is after him. In fact, it is about the hottest fight the eminent Kentuckian has ever experienced.

Arrayed on the side of Justice Harlan are the leaders in the Presidential Cabinet set and a few of the leaders in the resident set, but opposing him are the majority of the prominent members in the diplomatic, the Army and Navy and the Congressional sets.

IMMEDIATE CONTRIBUTION
Of \$100,000 Asked of Americans to Relieve the Starving in China

To meet the pressing needs of the starving people of China, American Consul General Wilder, at Shanghai, cables the Secretary of State an urgent appeal to the people of the United States for the contribution of \$100,000 more to be sent by cable.

Mr. Wilder makes it plain that the amount will be needed before the Army transport, Buford, now loading at Seattle, can possibly arrive in China with supplies.

For Your Hair Here Are Facts I Want You to Prove at My Risk

When the roots of the hair are entirely dead and the pores of the scalp are glazed over, I do not believe that anything can restore hair growth.

Rehall '93' Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet necessity, is delicately perfumed and will not gum nor permanently stain the hair.

I want you to get a bottle of Rehall '93' Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair and in every way give entire satisfaction, simply come back and tell me and without question or formality I will hand back to you every penny you paid me for it.

I lend my endorsement to Rehall '93' Hair Tonic and sell it on this guarantee, because I believe it is the best hair tonic ever discovered. It comes in two sizes, 50 cents and \$1.00. Remember you can obtain it only at my store—The Rexall Store. Thos. J. Chenoweth, Second and Sutton streets.

Still in a Serious Condition

C. and O. Engineer James M. Heflin, familiarly known as "Mike," who was overcome by gases yesterday morning at the West End C. and O. yard while engaged in cleaning out the fire-box of his engine, still remains in a precarious condition this morning.

After being taken out of the pit in which he was working, it was several hours before he regained consciousness, which was brought about by energetic work on the part of Dr. A. O. Taylor, Company Surgeon. He was removed to the home of his mother, Mrs. James Heflin, in East Fifth street, in an ambulance, where he is receiving the attention that only a solicitous mother can bestow.

COMES QUICKLY

DON'T HAVE TO WAIT FOR WEEKS—A MAYSVILLE ILLUSTRATION

Waiting is discouraging. Prompt action pleases everybody. A burden on the back is a heavy weight. Hard to bear day after day. Lifting weight, removing the burden. Brings appreciating responses. Maysville people tell of it. Tell of relief that's quick and sure. Here is a case of it:

Mrs. John Burns of Maysville, Ky., says: "I value Doan's Kidney Pills just as highly today as when I gave a statement for publication in their praise some years ago. I was subject to attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The prompt relief I received from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and I have had no serious return of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

The Oil King likely finds Jordan a rocky road.

It's only millionaires that have diamonds to lose.

That was a disastrous departure of the Diamond diamonds.

Livery bureaus are not the least sufferers from the whisky traffic.

It's not every one who can afford to lose \$130,000 worth of diamonds.

It seems that diamonds are a pretty risky thing to cross the ocean with.

Preaching doesn't elicit much sympathy from the pews of millionaires.

It looks like that guy, dismissed from the army, isn't willing to let well enough alone.

Some would make more fuss about owning a \$130,000 bunch of diamonds than they would about losing it.

It's only surprising that that lady kept her diamonds as long as she did, traveling about the world with them.

That Fifth Avenue Baptist Preacher has found that he cannot make a mixture of millionaires and religion.

That Chicago lady doesn't put as high a valuation upon her lost diamonds as the newspapers. She only offers \$5,000 for them.

They that have must lose, as the fellow said who lost his only shirt off the clothes line. This may be applicable to that recent diamond loss.

20% UNDERFEED INVESTMENT

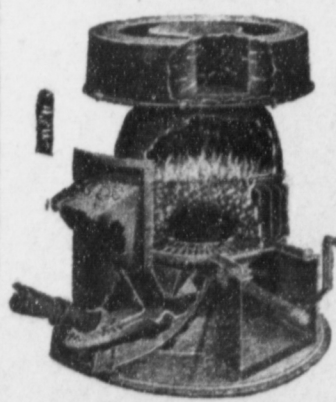

Most heating systems are an actual drag on the domestic treasury. If you want to enjoy actual every-winter dividends, tear out your old glutinous coal-eater, with its uneven heat and hard-to-satisfy appetite for fuel. Put in a

PECK-WILLIAMSON UNDERFEED FURNACE OR BOILER

Choose the system you like best—warm air, steam or hot water. Cheapest slack in the Underfeed yields as much clean, even heat as most expensive grades; which ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed furnace and boiler users to

SAVE 1/2 TO 2/3 OF COAL BILLS.

This saving represents a 20% dividend on the investment for this modern system of heating. Figure it out. It won't take long to get your money back. The Underfeed adds to the selling or renting value of any building.

Write today for free booklets on Underfeed Warm Air, Steam and Hot Water Heating Systems. Our representative will be glad to call any time and make you a detailed proposition.
